RE: Patent #: 5,968,067

I received a notification letter to pay the maintenance fee on my patent on 11/23/09, which I paid on 01/05/10, but I did not pay attention to the patent number, and I just realized that your letter to me had my name attached to the wrong patent (5,740,805). Please correct your error and apply the payment to the right patent (5,968,067).

Thank you for your attention to this matter.
